

Stand Tall Steve Speaking Topics

Standing Tall Through It All:

Challenges can force you to step up your game or stop you in your tracks. Steve will show you **how to overcome your organization's challenges to become bigger, better, and more motivated than ever**. In this session, you'll discover how to:

- **Maintain the focus needed to get great results** even when chaos and challenge surround you!
- **Increase productivity despite outside forces and overwhelming feelings.**
- **Get the results by encouraging people to move from compliance to commitment to achieve results.**

Stand Tall Leadership:

Developing yourself as a leader is more than reading a few books and implementing a new strategy - you have to **strengthen relationships, develop practical systems, inspire your organization to follow you and communicate effectively at all times**. In this presentation, Steve will show you how to :

- **Empower yourself to make crucial decisions and strengthen your confidence** to make decisions efficiently and effectively.
- **Make your vision a reality** to develop a culture and climate that supports that vision so that stakeholders can move from just being compliant to committed.
- **Retain your superstar employees and leaders** and keep them from other opportunities.

Classroom Management That Works:

A teacher's ability to manage student behavior is critical for any teacher's short- and long-term success. The challenge for coaching teachers to manage their students' behaviors, teachers tend not to understand the impact or reaction caused by their actions. Additionally, they struggle to create a comprehensive repertoire of management strategies. In this session Steve will lead others to:

Each presentation can be fully customized to your specific needs, and can be presented as a workshop, keynote, breakout or training.
